

The **Ouse & Adur Rivers Trust (OART)** and the **Sompting Estate Trust** are working with the **Heritage Lottery Fund** to develop a community led scheme to **enhance the value** and **raise awareness** of the natural heritage of the **Teville Stream**.

Part of this project is to monitor our mammal populations as the Teville Stream is re-routed through Sompting Brooks. To do this, we need **baseline data on the mammal populations** currently using the site and **would love for you to get involved**.

Please come and join us for the  
**Sompting Estate Mammal Survey Event**  
 Saturday 16<sup>th</sup> September & Sunday 17<sup>th</sup> September
